

REMARKS

This allowed application has been amended to correct a problem of "antecedent basis", wherein the word "said" has been deleted from "said well contacts" as indicated in Claim 11 and 21, because the corrected phrase is the first mention of "well contacts" in those claims.

Applicants' undersigned attorney may be reached in our New York Office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,
